## British Values

22<sup>nd</sup> – 28<sup>th</sup> March 2021

Rule of Law

By law, each family must complete the census. The Government will use the information we provide to think about how to make services better for us in the future.

## **UN Rights of a Child**

The census helps children become more recognised by the Government. Every household must register their name, nationality and relationship to the other people who live with them.
