

GCSE Preparation at Home

1. Biology

These are the biology topics we have covered;

- Cell Biology
- Organisation
- Infection and Response
- Bioenergetics
- Homeostasis and Response
- Inheritance, Variation and Evolution

Use your revision guides, BBC Bitesize and YouTube Primrose Kitten to revisit these topics – the link Primrose Kitten is below

https://www.youtube.com/results?search_query=primrose+kitten+aqa+trilogy

Once you've revised them, use your revision work to complete the following exam papers. Email me the completed exams, I'll mark them and then give you additional work to do based on your answers.
