Hazifa

Abbey Hill Academy Sixth Form

Hazifa completed her Pathway 2 Course in 2013, leaving with Functional Skills Entry 1 in Literacy and Numeracy, Entry Level 3 in Science and Child Development and Entry Level 2 in Art.

Stockton Riverside College

Hazifa started her time at Stockton Riverside College studying ICT, which she followed up with a Vocational Studies and ICT course. In her final year she completed an Employability qualification which included a work experience placement, where she demonstrated that she was quite the salesperson.

What Hazifa is doing now

Following her time at Abbey Hill Academy Sixth Form and Stockton Riverside College, Hazifa successfully applied to join the Health Education England and NHS initiative 'Project Choice', a supported internship scheme working for the North Tees and Hartlepool Trust, she initially worked in North Tees Hospital. She is now working as a supported intern in the administration department of the LD department.
