**RE: Coronavirus (Letter 5)**

**RE: Arrangements for home learning reminder.**

Dear Parent or Carer,

As the coronavirus (COVID-19) continues to spread and the number of confirmed cases in the UK increases, we are encouraged to social distance and stay at home as much as possible. The guidance is clear "If children can stay at home, they should".

Please see the reminder below for the arrangements for home learning.

We have put a selection of learning links on our website below, please see links

Group 1 students will be supported via the class dojo app. They will be issued with a code to log into their individual student account. They will be able to add and respond to work set in their portfolio.

We have also prepared additional work booklets for the GCSE group to continue to improve their skills and knowledge. Group 7 English and Science will be emailed directly to the student school email account and completed electronically. Once tasks have been completed, please return the work to your child's class teacher, whose email details overleaf.

Additional booklets will also be sent out in the post regarding PSD, English literature and Maths.

We appreciate this is a worrying time, we will endeavour to keep you up to date with the latest government advice on our website and through letters posted out. We wish you all well and keep safe over the forthcoming weeks.

Yours sincerely,

Kathryn Thompson  
Principal
