The Next Step

After Abbey Hill Stuart went onto went to Stockton Riverside College to study art and design, after 4 years he left with a triple distinction star (being the top of his class!). He then applied to Teesside University to embark on a fine art course. After 4 years studying fine art honing his skills, he earnt a second-class honours.

What Stuart is doing now?

Stuart is currently studying for a Masters degree in Art. In his spare time he is selling pieces of his own work online and via social media sites, which has proved to be very successful!.
